DISPOSAL OF PENDING CASES

2.

a) Initiative

Delay in bringing vigilance cases to a logical conclusion is against the principles of natural justice and also defeats the very purpose of initiating disciplinary action. The Commission has also prescribed model timelines for investigation, implementation of First Stage Advice (FSA)/ Second Stage Advice (SSA) and conclusion of disciplinary inquiries.

Further, implementing systemic improvements that address identified gaps will significantly enhance the efficacy in systems and processes. Advices related to systemic improvement which are pending for implementation should also be reviewed and decision taken for implementation in a time-bound manner.

Also, the timely submission of reply to the outstanding CTE paras is essential for taking corrective actions during execution of contract, enabling the organization for effecting immediate recovery from contractors/suppliers, ensuring accountability of officials for omission and commission of actions, etc. Therefore, it is of utmost importance that the replies are furnished on observations of the CTEO in a time-bound manner.

In this regard, all organizations may ensure:

- (i) Timely implementation of FSA and SSA
- (ii) Timely completion of departmental inquiries (DI) by the Inquiry Officer (IO)/ Inquiry Authority (IA)
- (iii) Implementation of pending Systemic Improvements
- (iv) Compliance on outstanding CTE Paras
