India – Sweden Collaborative Industrial Research & Development Programme 2025

Company Information

1. Company Name: NITTTR, Bhopal, M.P.
2. Company Description: Academic Institute- <https://nitttrbpl.ac.in>
3. Country (India/Sweden): India
4. Sector and subsector: Education
5. Year Established: 1965
6. Company Website: <https://nitttrbpl.ac.in>

Contact Information

1. First Name: Dr. Seema
2. Last Name: Verma
3. E-mail: sverma@nitttrbpl.ac.in
4. Phone Number: 9950786677

Proposed Area of Project/ Proposal: Optimization of Production Processes.

Summary of the Proposed Project/Proposal: This project aims to optimize the semiconductor packaging line by significantly reducing the cycle time of Semiconductor Packaging processes and workflow improvements with collaboration of industry partners, with the goal of validating the optimized process in real production environments and full-scale manufacturing.

Main characteristics and specific technological expertise of potential partner you are looking for: We are seeking partners should have specialized expertise Semiconductor packaging processes with manufacturing capabilities, including automation, real-time quality control, and collaborative industry engagement for scaling optimized packaging processes.
