TECHNOLOGY DEVELOPMENT BOARD

(Department of Science and Technology, Government of India)

Subject: Expression of Interest (EOI) for Empanelment of Firms for the “Compliance Screening and Extended KYC Consulting Services” for TDB-RDI Fund

1.0 The Technology Development Board (TDB), a statutory body under the Department of Science and Technology (DST), Government of India, New Delhi, invites Expressions of Interest (EOIs) from reputed and experienced consulting firms/companies for empanelment to provide Compliance Screening and Extended Know Your Customer (KYC) Consulting Services for proposals submitted by startups, MSMEs, companies, research institutions, and other eligible entities seeking financial assistance under the Technology Development Board – Research, Development and Innovation Fund (TDB-RDIF).

The empanelled firms shall undertake comprehensive Compliance Screening and Extended KYC of the applicant entities and their associated key individuals to support TDB's due diligence process. The screening shall cover applicant organisations, including startups, MSMEs, companies, listed entities, and other Eligible Technology Entities (ETEs), as applicable.

The scope of screening shall include key individuals associated with the applicant entities, such as promoters, founders/co-founders, directors, and Key Managerial Personnel (KMPs). Wherever available and applicable, the empanelled firms shall also identify and report details of Ultimate Beneficial Owners (UBOs), Significant Beneficial Owners (SBOs), foreign beneficiaries, and other significant shareholders.

1.1 About the RDI Fund

The Research, Development and Innovation (RDI) Fund is a flagship Government of India initiative with a corpus of Rs 1 lakh crore, established to strengthen the country's deep-tech research, development, and innovation ecosystem in line with the vision of Viksit Bharat 2047. Under the aegis of the Department of Science and Technology (DST) and the Anusandhan National Research Foundation (ANRF), the RDI Fund seeks to catalyse private sector investment in research and innovation by providing long-term financial support to Eligible Technology Entities undertaking high-impact research, technology development, and innovation-driven manufacturing.

The Technology Development Board (TDB) has been designated as a Second-Level Fund Manager (SLFM) under the RDI Fund. Through the TDB-RDI Fund, financial assistance is provided to support translational research and technology development projects across diverse sectors of science and technology at Technology Readiness Level (TRL) 4 and above. The Fund facilitates the acquisition, development, and commercialization of technologies of strategic and national importance while providing patient capital for long-gestation R&D, technology scale-up, innovation-led manufacturing, and market deployment.
